PADI Open Water Diver

Become a fully certified scuba diver in just two weekends!

Plus get a free wreck dive as an added bonus, which you can count towards your Advanced Certification!

Become a safe and confident PADI Open Water Diver. At the end of the course your **globally recognized PADI certification** will allow you to dive in open water anywhere, to a depth of up to 18 metres or 60 feet.

Add on our PADI Advanced Open Water diver course, in order to dive to depths of up to 30 metres / 100 feet, sample exciting adventure dives and fine tune your skills.

About the Action Scuba Open Water Diver Course:

- ✓ The important **theory behind scuba diving** taught to you via your choice of instructor led classroom presentations or independent digital learning
- ✓ **5 dives in a pool** with an expert instructor to master basic scuba skills
- ✓ **4 certification dives** in the open water to practice your new skills in the real world under the careful supervision of our expert instructors.
- ✓ Your **PADI course materials**, yours to keep for life
- ✓ **Rental use of scuba equipment**, including buoyancy compensation vest, regulators, air tanks, gauges, and wetsuit for all dives.
- ✓ Training on and use of a modern **dive computer** (compared to old fashioned dive tables or eRDPml)
- ✓ Your **PADI certification card (Project AWARE limited edition)**
- ✓ Excludes: your own personal gear: mask, fins (boots), snorkel, swimsuit.

**Open Water +
Advanced Course
only \$659**

To celebrate becoming a certified diver, we'll take you for your first post-certification dive on one of the popular local shipwrecks as a bonus which can be counted towards your PADI Advanced Open Water Diver course.

Prerequisites: 10 years of age for Junior Open Water Diver and 15 years for Open Water Diver. Good health, reasonable fitness and comfort in the water.
